

HYTEX

SHELF LINERS

- *Add color, texture, and non-skid features to your shelving projects.*
- *Custom pieces with pressure sensitive adhesive shipped to your specified locations.*
- *It is easy as 1-2-3 to add our shelf liners to your fixtures*

BEFORE

AFTER

STEP 1: Peel back release paper at corners of liner

STEP 2: Position material at edges and press down to hold liner in place.

STEP 3: Carefully remove remaining paper, ensuring material's alignment on shelf
